STRUCK BY A CYCLONE.

The Towns of St. Cloud and Sauk Rapids Nearly Wiped Out.

A Large Number of People Killed and Many Injured, With Great Destruction of Property.

ST. PAUL, April 14.—St. Cloud and Sauk Rapids were swept by a terrible destructive tornado this afternoon. The tornado began at St. Cloud about 3 o'clock, in the basin of the Masonic Cemetery, forming a whirlwind about one thousand feet in diameter. It took almost every tree in a circle from the ground and twisted it off at the trunk. Great stones were torn up and carried along with the wind, moving slowly in a northeasterly direction. It wrecked the Catholic Church and several houses in its course across the prairie adjoining the town. It demolished John Schwartz's large brick house and scattered fifty or more smaller frame houses like feathers. In most cases nothing was left to mark the site of the dwellings but the cellars. The prairies were strewn with timber, furniture and clothing. The freight depot of the Manitoba road was a total wreck. St. Van Hornes, the best of the business portion, including the court house, hotel, public school and every important business building in town except Woods' store. The village is virtually wiped out, four-fifths of the buildings in it being leveled. The fatalities in St. Cloud, though great, are not equal in number to those in Sauk Rapids. In every house most of the inmates were more or less hurt. The dead at St. Cloud, so far as known, are as follows: Nick Juckmann, Mrs. Weisman and little girl, a 4-year-old son of B. O. Werski, a 7-year-old son of Frank Gelskoffski, Mrs. Stein, a 4-year-old son of P. Waldorf, S. A. Young, the latter a railroad man. His brother William, had both legs mashed, and they had to be amputated. An unknown railroad employe, St. Van Hornes, two young children, M. Ceno, and a baby of August Knolls were also killed. The dead at Sauk Rapids so far as heard from are: J. Berg, merchant, and his two children; John Kenard, county auditor; George Lind, county treasurer; two children of C. G. Wood, Edgar Hill, president of the German American National Bank. Albert Styr, a child of P. Carpenter, died of life have been brought to the town. The power of the king has passed away. The power of life is passing away, and it must now be determined whether a man shall rule or whether wealth shall rule.

THE MIGHTY WIND.

ST. PAUL, Minn., April 15.—The reports of the cyclone at St. Cloud, Sauk Rapids, Rice Station and other points in the vicinity last night and early this morning were not exaggerated. At 3 o'clock this morning, in the places named, there were forty-nine dead and nearly two hundred injured, with many still missing, whose bodies will probably be recovered to-day. Just enough houses are left in Sauk Rapids to form a village around the village limits. The debris is not piled in heaps, but scattered far and wide. The sign "Sauk Rapids" in the Manitoba Depot and a basketful of books were found in Rice Station, five miles distant. This shows the terrible power of the storm. No reports have yet been received from outlying districts, where it is believed great destruction of property and loss of life have been wrought. The storm extended from Jamestown, Dak., through Minnesota, and into Wisconsin, though its most disastrous effects are to be found in the three places first named.

Another Telephone Invention.

CHICAGO, April 15.—Cornelius Spillane, of this city, has invented a device for telephoning between moving trains and railroad stations. The invention is an extremely simple affair, consisting of a circuit wire resting on an insulated slab between the railway tracks. On this wire rests a circuit rod, made of a strip of metal, having attached to it a movable metal roller, making contact with the circuit wire at all stations and all trains on the line of the route. The return circuit is gained by means of a rail, wheel and axle and through the framework of the engine cars, so that conversation can be kept up from all parts of the train to all stations on the road and between all other trains on the line.

POWDERLY'S APPEAL.

All Knights of Labor Called Upon to Peculiarly Assist the Southwest Strikers.—The War Not on Capital But on Jay Gould and Monopoly.

PHILADELPHIA, April 15.—General Master Workman Powderly, of the Knights of Labor, to-day addressed the following circular to a very large number of his order:

Noble Order of Knights of Labor of America.—To the Order Wherever Found—Greeting:

You have all read of the great strike on the Gould lines of railway in the Southwest. Its history is being written by day. It is not a little difference now whether the men of the Southwest acted wisely or not. Let us pass the passing of the past and let us assist them to the full extent of their means. They have been idle for nearly two months. They have had a most trying ordeal to go through and are in need of funds. It requires no eloquence or rhetoric to plead the cause of these suffering people. They require aid, and it becomes our duty to extend that aid as quickly as possible for us to do so. Send every dollar you can spare to the general secretary and treasurer, who will at once forward it to the men at St. Louis for distribution. Remember, the men out there do not ask for a dollar, but they ask for a dollar's worth of help. It is your executive board that makes the appeal in their behalf. He who gives quickly gives double. Act at once. Another appeal may be sent to you and we ask of you to prepare for it now. We must be judged by our actions in this matter. Do not pass resolutions condemning capital for we are not fighting capital. Do not antagonize the contest we have before us. Let us make a better man of the world who has suffered through monopoly. This battle against the man who represents monopoly must be fought out manfully. Watch his actions everywhere. Keep your eye on the doings of Congress. Urge the committee that has been appointed to do its duty. Do not let any man put his hands in the pockets of the people. In conclusion let us again ask that you send at once every dollar you can at present spare to uphold the men who are now out along the lines of the Southwest system of Gould's railway. Do not delay, and at the same time make a man of the world who has suffered through monopoly. This battle against the man who represents monopoly must be fought out manfully. Watch his actions everywhere. Keep your eye on the doings of Congress. Urge the committee that has been appointed to do its duty. Do not let any man put his hands in the pockets of the people. As a reliable remedy, in cases of Croup, Whooping Cough, or sudden Colds, and for the prompt relief and cure of throat and lung diseases, Ayer's Cherry Pectoral is invaluable. Mrs. E. G. Edgerly, Council Bluffs, Iowa, writes: "I consider Ayer's Cherry Pectoral a most important remedy for home use. I have tested its curative power, in my family, many times during the past thirty years, and have never known it to fail. It will relieve the most serious affections of the throat and lungs, whether in children or adults." John H. Stoddard, Petersburg, Va., writes: "I have never found a medicine equal to

AYER'S Cherry Pectoral

for the prompt relief of throat and lung diseases peculiar to children. I consider it an absolute cure for all such affections, and am never without it in the house." Mrs. L. E. Herman, 187 Mercer st., Jersey City, writes: "I have always found Ayer's Cherry Pectoral useful in my family." B. T. Johnson, Mt. Savage, Md., writes: "For the speedy cure of sudden Colds, and for the relief of children afflicted with Croup, I have never found anything equal to Ayer's Cherry Pectoral. It is the most potent of all the remedies I have ever used." W. H. Stiekler, Terre Haute, Ind., writes: "Ayer's Cherry Pectoral cured my wife of a severe lung affection, supposed to be Quick Consumption. We now regard the Pectoral as a household necessity." E. M.
